

2026 CHERRYVILLE, B.C. FIRE CONTROL GUIDE & LIST OF VOLUNTEERS

IN THE EVENT OF A WILDFIRE
CALL 1-800-663-5555 or *5555 ON YOUR CELL

Steps of Emergency Action for Fires Within Cherryville:

Step 1: Assess the fire. Make notes detailing the location, access, type of fuel, terrain (including slope), water availability and colour of smoke.

Step 2: Phone in a report to **1 800-663-5555 or *5555** on your cell.

Step 3: Arrange to have continued contact with the Fire Centre.

Step 4: Follow Fire Centre instructions.

Step 5: Take appropriate action, as directed by the BC Fire Control.

Step 6: Check the following list for other possibly available fire control resources in Cherryville. ***TEXT ONLY - Cherryville FireWatch 778-692-8618***
